*Some 18,000 square feet of office and flex space has been leased at Pine Valley Mill, 37 Wilton Rd., Milford, to iRobot Corp. The firm, whose New Hampshire operations were previously located in Jaffrey, is a provider of robot products for the consumer market, private industry and the Defense Department. The firm's headquarters are in Somerville, Mass. Shown at the property are, from left, Bradley Vear of Vear Commercial Properties, which is marketing the Pine Valley Mill property, Heidi Heller-Blackmer, Milford Elm Street Trust; and Grinnell More, senior vice president and director of military systems, iRobot Corp.*
